Gestaliani

I am a fresh graduate from Japanese Studies, **Airlangga University**. I have specialization in Japanese literature and culture. During my college, i worked as a **freelance japanese translator** in **PT Ekselenta Talenta Centa**.

Currently I am doing my internship as **Talent Manager** in **Bigo Live Indonesia** (2020 – present). im being part of Bigo Live team in a program called Bigo Agent Hunt.

Why I work as Talent Manager

I love making relationship and helping people.
People said im a good listener and problem solver.
For me, finding solution of someone's problem its
so rewarding.

Being talent manager in Bigo Live is more than just
recruiting process. It is also often assist clients in
finding solution of their problems.

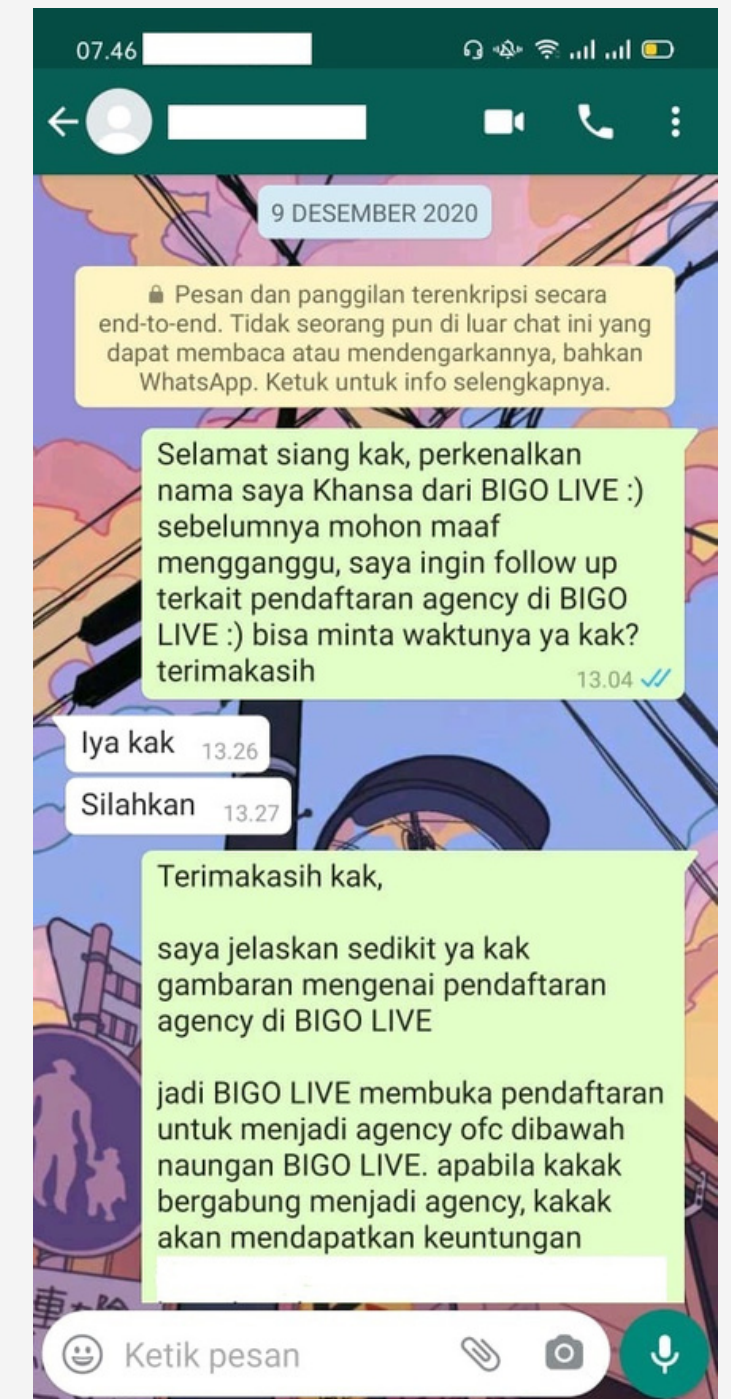

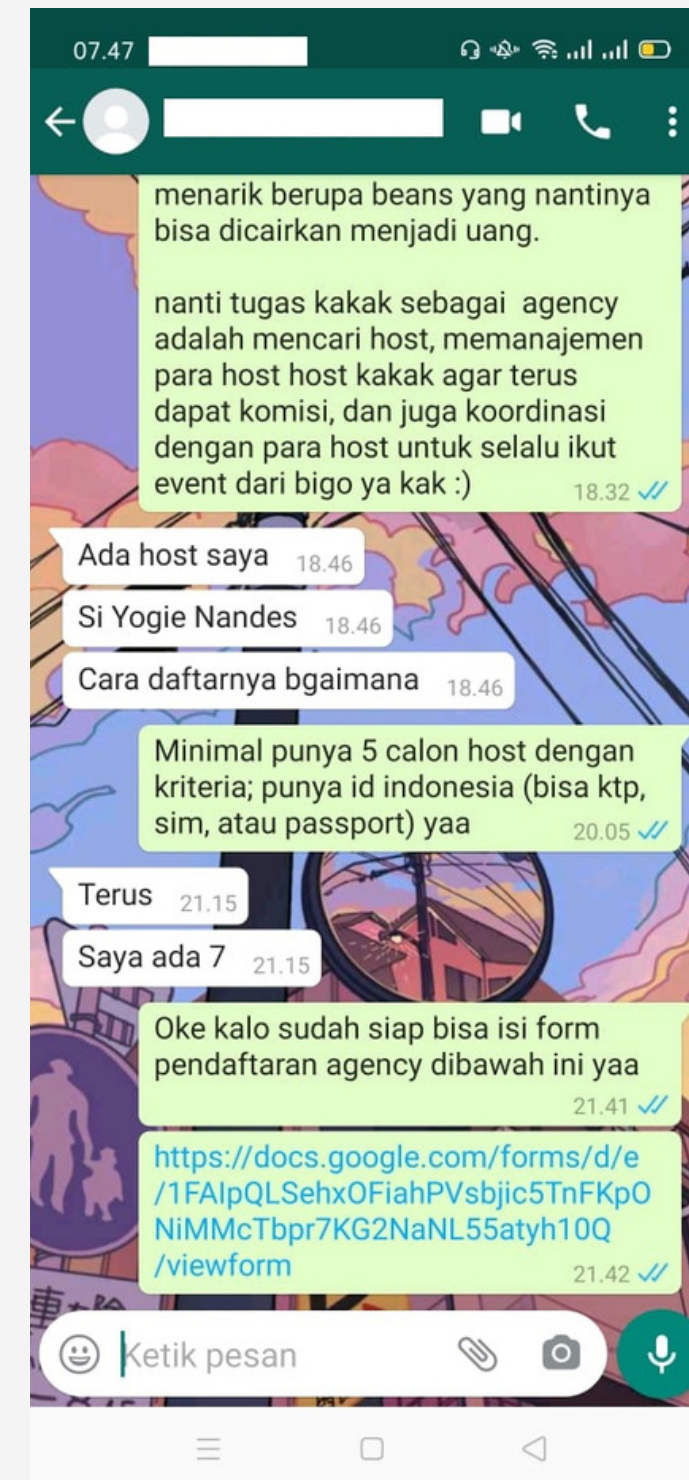

Bigo Agent Hunt is one of the most popular program in Bigo Live for hiring new agency (talent search). This program had been started in 2018 and produces more than 2000 agencies.

My Scope Of Work⁰⁵

PROMOTING

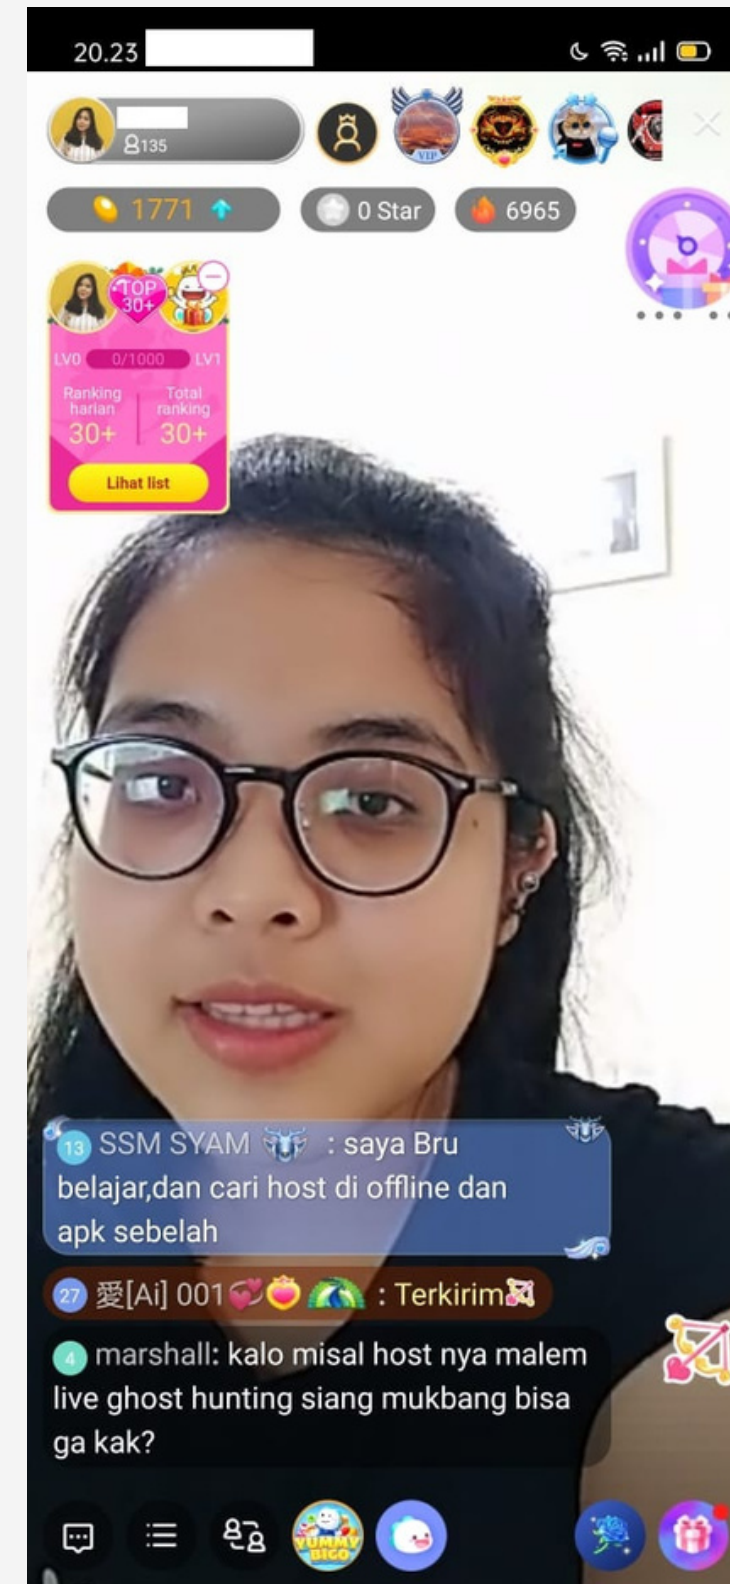

I will promote Bigo Agent Hunt to the users (or even never played Bigo Live before)

RECRUITING

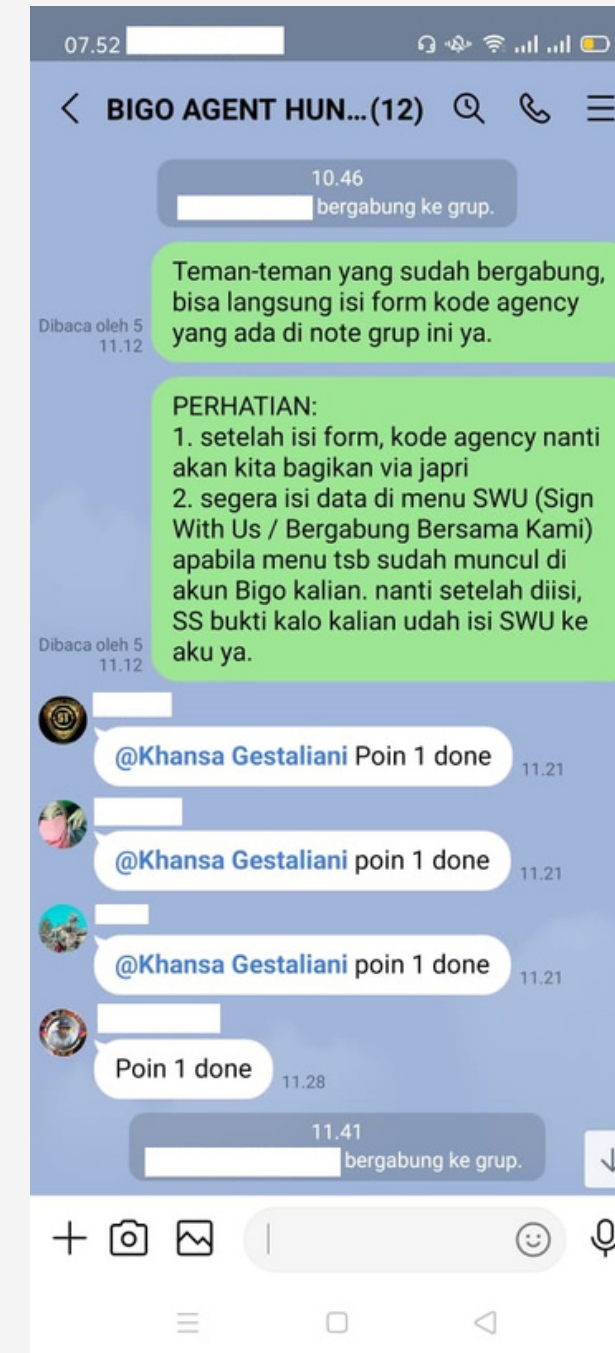

I have to make sure that the candidates fill the registration form & joining the live training session.

I also doing selection according to the qualifications needed.

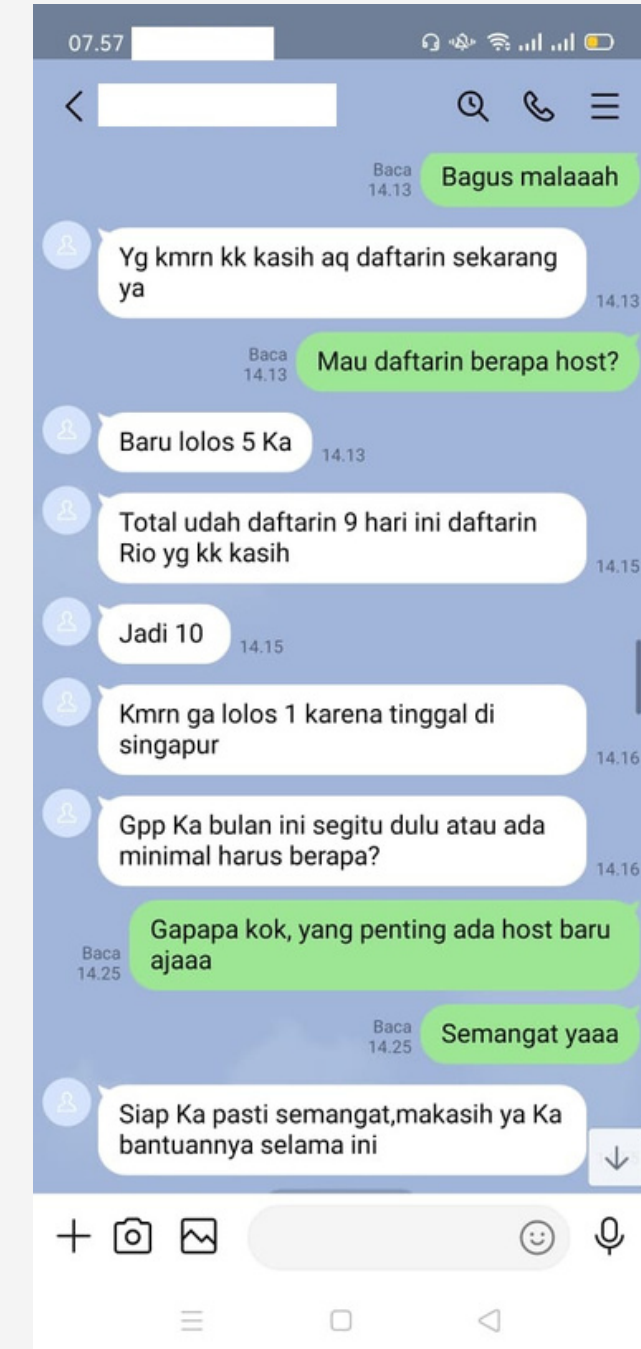

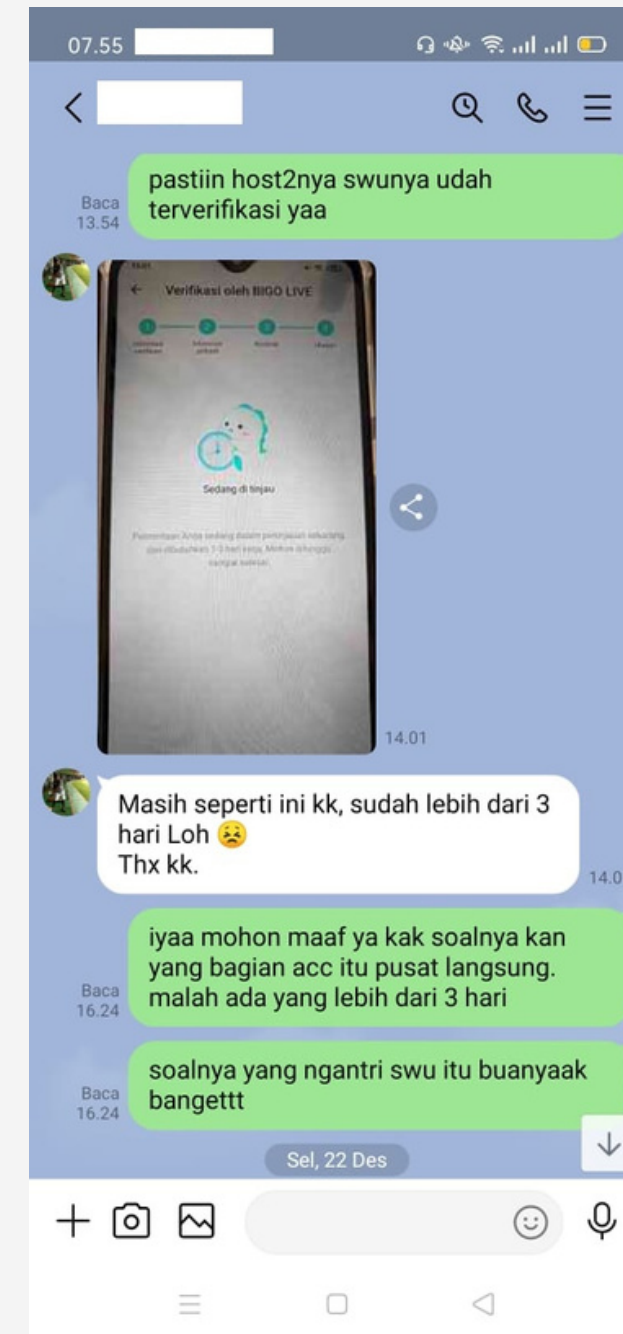

DIRECTING

I have to make sure the new official agencies completed several steps by directing them on how to activate their agency.

HANDLING

Receiving any complain and problem of the official agencies by chat or even phone call.
