I graduated from **Airlangga University** in the 2019 Japanese Studies program. During my studies, I was a **freelancer** at **PT Ekselenta Talenta Centa** as a Japanese Translator. Now I am interning as a **Talent Manager** at **Bigo Live Indonesia**.

Why I work as Talent Manager

Being a Talent Manager at Bigo Live is a reward to me for having a big responsibility. Not only do the recruitment process, but also act as a problem solver for clients.

I am known to be a good listener. I feel good when the people around me feel comfortable in a relationship with me. Especially, when it comes to help to solve their problems.
